SUBJECT:

DOCKET NO. 2010-132-W - Application of May River Water Company, Incorporated for Adjustment of Rates and Charges - Discuss this Matter with the Commission.

COMMISSION ACTION:

After due consideration of the evidence in this case, I move that we grant a rate increase to May River Water Company and that we approve the following rates as being just and reasonable for water service: a monthly base rate of \$30.30, plus commodity charges in the amounts of \$4.50 per 1,000 gallons for usage of zero to 4,000 gallons per month, \$5.50 per 1,000 gallons for usage of 4,001 to 6,000 gallons per month, and \$6.50 per 1,000 gallons for usage of any gallonage over 6,000 gallons per month. I also move that we approve a base rate of \$30.00 per month for water availability only customers. These rates shall be effective for water service rendered thirty days after the issuance of the written merits order in this case. Further, Mister Chairman, I move that we grant the ORS's accounting adjustments in this matter, and that we approve an operating margin of 10% as reasonable for the Company. I further move that May River shall keep its books and records according to the NARUC Uniform System of Accounts, and that the Company shall continue to maintain a performance bond with the Commission (with a copy to ORS) in the amount of \$100,000, with such bond satisfying the criteria as set forth in South Carolina Code Annotated Section 58-5-720.
